For 1934-35.**

Secretaries' Report, 1934-35.

Membership. There has been an increase of 48 in the number of Life-members; of ordinary members there has been an increase of 56, the total membership being now in the neighbourhood of 916.

Entertainments. The usual monthly meetings have been held. On November 16th we were indebted to the Cricket Club for the arrangement of an entertainment to follow a Hot-Pot Supper. On December 8th the Dance sponsored by the Football Club was well attended. In the new year the Comic Whist Drive and Dance, originally fixed for February 1st, was abandoned owing to the poor sale of tickets. On March 1st a Farewell Supper was arranged in the School in honour of The Rev. H. H. Symonds. Over ninety members attended to show their appreciation of his loyal services to the Association.

The Cricket Club has had another very successful season. Out of a fixture list of 32 games, 17 were won and 2 drawn. The season has not only been successful, but very enjoyable. Rain has, for the most part, been strangely conspicuous by its absence, and as a result all our fixtures save three were completed. There has, moreover, been the typical Liobian spirit of good fellowship among the members of the Club, which has ensured many sporting and enjoyable games. Particularly gratifying was the fact that several members of the School XI. joined us at the close of the Summer term, and ably assisted us on occasions. We look forward to a continued influx of new members from this source, and hope that members of the School elevens will give us their full support when their school-days are over. It was with the deepest regret that we had to record the death of one of our most valued and respected members, S. I. Wilkinson, whose loss will mean so much to the Club.

Thanks are due to the Committee whose energetic and untiring efforts have put the Club on a sound financial footing and ensured so enjoyable a season. Our most grateful thanks are due to the School for the use of their ground in Greenbank Park, on which we have had a well-nigh perfect wicket for so many of our games.

The Association Football Club reports a season even more successful than last year, with an increase in membership from 68 to 75. On several occasions five teams have been fielded, and, of 130 matches played, 75 have been won. The Zingari side has distinguished itself by gaining promotion to Division II. The other three teams have been successful in the Old Boys' League, particularly the fourth eleven, which finished in the second place. Sincere thanks are offered to the officials for their help in avoiding late starts and short teams, to the retiring President, The Rev. H. H. Symonds, and to the Chairman, Mr. E. G. Broadbent. The Club welcomes its new officials: Mr. J. R. Edwards as President and Mr. S. V. Brown as Chairman. A pleasant feature of the past session has been the amount of support obtained from members of the School teams on leaving School. It is hoped that this will be extended in the future.

The Florence Institute has had a successful year. The membership gives cause for satisfaction, and all activities (to which baseball has been recently added) have been well supported. During the day the building has been used as a Junior Instruction Centre. The Club is performing a valuable work in the south end of Liverpool by providing facilities for the mental and physical development of working boys in the neighbourhood. Clubs of this nature are essential in our great cities, and the Florence needs all possible help. It is hoped that Old Boys in particular will support it.

The School Orchestra is now under the leadership of Mr. L. G. Young, the successor of Mr. A. D. Rose. Rehearsals are held in the School on alternate Tuesdays and Thursdays from 7-15 to 9 p.m. New members may join at any of these rehearsals. A Choral Society has been formed of past and present students of the Institute and past students

of Blackburne House. At present the Society is rehearsing a comic opera which is to be produced in Crane Hall in March, 1936. New members are urgently needed. Applications are invited by Mr. Young.

The London Group of the Association. Owing to the efforts of Mr. R. A. Bebb (who left the School in 1928) a good start has been made. Mr. Bebb has the names of some 160 Old Boys resident in or around London. Fifty-six were present at a Dinner held in March. A similar function, it is hoped, will take place next session, while other activities are being arranged. Mr. Bebb is very anxious that all Old Boys who live near enough to join the new branch should write to him at 41, Tytherton Road, London, N.W. 19.

Cambridge University Liobian Society. We are glad to report the arrival of yet another offspring of the parent body, news of which arrived too late for inclusion in last year's handbook. Mr. J. Allan Campbell of Downing College writes that there has been this year an increase of membership in the Society of which he is Secretary. Informal meetings have been arranged and led up to a Dinner which was held in June, with the Headmaster and Vice-Principal as guests. The Secretary wishes it to be known that he would gladly enrol new members among graduates of Cambridge University.

A History of the Liverpool Institute Schools. Mr. H. J. Tiffen has been occupying his leisure time in retirement by compiling a book with the above title. It is hoped that this history of the School, to which Mr. Tiffen has devoted so much care and time, will have a wide appeal among all connected with the School. It certainly supplies a need which has long been keenly felt. The book gives a comprehensive account of the schools from the year of foundation in 1825 to the present day. Copies (price 5/-) are now obtainable at the School Office. The price by post is 5/6. Orders for copies by post should be sent to Mr. D. Willott at the School.
